### BURGLARY ARRESTS

On Monday October 12, 2009, at approximately 7:00 AM, Officers from the Redding Police Department were dispatched to a residence on Fox Estates Court in Redding regarding a burglary investigation. Morris Halstead, age 69, reported someone had entered his home while he and his family were sleeping. Many personal items and cash had been stolen from the home.

After an initial investigation it was believed three subjects were involved in taking items from the residence. Redding Police Officer Ron Icely was able to identify two of the three responsible parties. He later found and arrested Seth David Halstead 18 years of Redding and Ely Sydney Dimon, 18 years, of Redding and a 17 year old juvenile from Redding for the burglary.

Most of the property, including weapons, antique coins, and a flat screen television were found in the defendant's possession and later returned to the victims. The three persons arrested were booked in jail and Juvenile Hall on charges of burglary, illegal use of a credit card, and elder abuse.
