PRESS RELEASE

CASE 09-16786

03-16-09 01:29 P.M.

On 03-16-09 at approximately 1:29 p.m., officers from the Redding Police Department responded to a report of a possible capsized boat near the Caldwell Park area. The initial report indicated that there were two subjects in the river near the capsized boat. Officers from the Redding Police Department assisted the City of Redding Fire Department and the Shasta County Sheriff's Department Boat and Safety Unit. Due to the weather conditions, the California Highway Patrol Air Unit was not available. Multiple areas of the river were checked for the capsized boat and subjects who were seen near the boat. Officers were unable to recontact the original reporting party.

The search was unsuccessful in locating this possible capsized boat and subjects. No other reports were made to the police department regarding the possible capsized boat.

For further information, contact Corporal Langley, Field Operations, at 225-4200.
