March 22, 2009

Case # 09-2588 1630 hours

On 03/22/2009 at 1253 P.M., officers from the Redding Police Department along with Fire and Medical personnel were called to the area of Churn Creek Road at Old Alturas for a two-vehicle traffic collision.

The drivers of the vehicles were identified as Dorothy Kirk, age 82 years, of Redding and Kae Saepanh, age 30 years, of Redding. Witnesses said Saepanh turned south onto Churn Creek from westbound Old Alturas in her Toyota Corolla. Saepanh was struck by Kirk who was operating a white Dodge Caravan, which was southbound on Churn Creek. A witness said that Saepanh had a green light, and Kirk failed to stop for the red light.

All occupants were wearing their seatbelts, and airbags in both vehicles deployed. Saepanh was taken to Mercy Medical Center where she was treated for minor injuries.

Upon completion of this investigation, the report will be sent to the DA's office for review.
