Case Number 09-60476

Early this morning, the Redding Police Department started receiving calls of several thefts from vehicles and at least two garages in the Country Heights subdivision. Officers responded and took reports from at least ten vehicle owners regarding an unknown person entering their unlocked vehicle and removing property. Two of the victims also had their garages entered and items stolen from vehicles parked inside the garage.

One victim reported a credit card stolen from their vehicle had been used at a local financial institution ATM machine on the west side of Redding at 5:30 A.M. Investigators were able to obtain surveillance photographs of a male suspect using the stolen card in an unsuccessful attempt to withdraw money from the victim's account.

If anyone has information regarding these thefts, please contact the Redding Police Department Investigations Division at 225-4214.
