## PRESS RELEASE

**March 9, 2010 4:00 P.M.**

On February 9<sup>th</sup>, 2010, the Redding Police Department was selected to receive funding to participate in the Department Of Alcoholic Beverage Control's Minor Decoy/Shoulder Tap Mini Grant. Funding for this project comes from the Office of Traffic Safety through the National Highway Traffic Safety Administration.

The \$8500.00 grant will be used in the future to conduct minor decoy and shoulder tap operations. These operations will target both ABC licensed premises and individuals who furnish alcohol beverages to under age decoys.

This project is also targeted to reduce under age drinking, DUI driving injuries and fatalities, increase public awareness, and to reduce youth access to alcoholic beverages through enforcement interventions.
