REDDING POLICE DEPARTMENT
PRESS RELEASE

August 2, 2010

NATIONAL NIGHT OUT 2010
Is Tomorrow!

The Redding Police Department would like to remind everyone that tomorrow, **Tuesday, August 3**, is National Night Out. This is the 27th anniversary for National Night Out and the 22nd year the Redding Police Department has participated. Last year approximately 36 million people in over 15,000 communities around the world celebrated National Night Out.

The City of Redding's involvement in National Night Out goes beyond most communities. Not only is the Redding Police Department participating by visiting 23 neighborhood block parties, police representatives will be accompanied by many of the City of Redding's City Council members and department directors. Additionally, the Redding Fire Department will be visiting as many of the block parties as possible with fire trucks. The California Highway Patrol will be showing its support by flying over the parties with one of their helicopters.

Attached is a list of the block parties we will be attending. Most of the parties are at private residences and are limited in space. Media representatives are welcome to visit those parties. There are nine block parties on the list (marked with ***) that are open to the entire neighborhood. The Redding Aquatic Center party is open to the public and there is a fee to enter the Aquatic Center (see the City of Redding website for more information). **Please mention only these parties as having an open invitation for the neighborhood.**

Residents who are not in an area having a block party are encouraged to show their commitment to keeping their neighborhood crime-free by leaving their porch lights on all night long for National Night Out.
